**11th  
Annual**

## Best Management Practices (BMPs) Workshops

“How to Install BMPs for Single-family Residences”

*Choose from these two workshops:*

### **Basic Contractors BMP Workshop**

**Friday, April 16, 2010**

**7:45 a.m. to 4:20 p.m.**

**Lake Tahoe Community College  
South Lake Tahoe, California**

Registration fee is **\$37**, if postmarked by **April 1**.

If postmarked **after April 1**, the cost is **\$52**.

Registration fee includes:

- Instruction from local BMP experts
- Home Landscaping Guide
- Refreshments and lunch

### **Half-day Refresher Workshop**

**Friday, April 23, 2010**

**8 to 11:30 a.m.**

**Tahoe Regional Planning Agency  
Stateline, Nevada**

To attend the **free** Refresher Workshop, you must have attended the Basic or Refresher Workshop within the last two years.

- Attendees will learn design principles and methods for installing Best Management Practices to prevent water pollution.
- Licensed contractors who pass the course can have their businesses listed in the 2010 BMP Installation Service Providers List, distributed by the BMP Retrofit Partners.
- Inspection requirements for obtaining a BMP Certificate of Completion and fire defensible space guidelines for areas within 30 feet of structures will be explained.

**For registration information, contact  
University of Nevada Cooperative Extension  
at (775) 832-4150 or go to  
[www.trpa.org](http://www.trpa.org)**

*For information about BMP installation trainings  
for Spanish speaking workers,  
please call (775) 832-4150.*
